# FEEDBACK QUESTIONNAIRE

Dear reader.

You are now familiar with PJSC RusHydro's annual report. When drafting it, we tried to take note of all suggestions on disclosing material information. Please help us improve 2019 annual report by selecting the most relevant topics in the questionnaire. We value the opinion of every client, shareholder, contractor, and employee. The results of the stakeholder questionnaires are published in every annual report and on the Company's website.
